Parents,

Summer is coming to a close and school is about to begin! Children's Church has had an amazing year filled with lessons of the Lord, prayer, and all things glue and paint! It's time for us to celebrate and move into this school year. To do so, we will be having a swim party at our home on **Saturday, August 19., 11 a.m.-3 p.m.** Lunch will be provided.

This letter serves to give address to our home, instructions, and a release. Without the return of this form, your child will not be allowed to swim.

Address:

Pastor Larry and Ronda Townsend
1910 Sandy Rock Rd.
Tecumseh, OK 74873

Instructions:

All children should bring:

- Towel
- Sunscreen
- Bug spray
- Flotation device (life vest)

*If your child knows how to swim and doesn't want to wear a life vest, you must remain at the party and be responsible for their care. The pool is 7' 3" and doesn't really have shallow space. Once they go off the tanning ledge, they will be in deep water. There is a slide and jumping rock and I expect most will want to use these. The pool is not deep enough for diving, so please visit with your child about only jumping, **NO DIVING.**

Release:

I, _____ parent/guardian of _____, give
(Parent/Guardian) (Child or Children's Name(s))

permission for my child to attend a swim party hosted by Pastors Larry and Ronda Townsend, at their home. I release them from any liability and will inform them of any special needs child may have. If child/children can swim and will not wear a swim vest, I will stay at the party and supervise my child/children.
